Religion Traveling

### WORK EXPERIENCE

**Data Entry Freelancer - Upwork (2018)** - I met the deadlines, all my projects received a maximum rating.

**Network Marketer (2010 - 2017)** - Working in a team was the main skill I developed.

**Internet Promoter - Carmel Computer SRL, Brasov (2008)** - Interacting with websites I have learned many SEO and UX principles.

### EDUCATION

#### Web Development Course Degree (2019 - 2020)

##### *IT School, Timisoara*

Here I learned so much and practiced my knowledge in HTML, CSS, Bootstrap, JavaScript, jQuery, DOM, AJAX, OOP.

#### CERTIFICATIONS

##### *Microsoft MTA*

[Introduction to Programming Using HTML and CSS - Certified 2020](#)

[Introduction to Programming Using JavaScript - Certified 2020](#)

##### *National Qualifications Authority (ANC) /*

##### *Ministry of Education and Research*

Web Page Designer (COR 216613)

#### Online Courses (2018 - present)

**Tutorials** like CodeBerry School, freeCodeCamp, W3Schools, Udemy (courses from instructors like Angela Yu, Brad Traversy, Mosh Hamedani, Colt Steele, Andrei Neagoie and many others); **coding challenges websites** (Exercism, Coderwars, LeetCode); **Youtube channels**; **articles** and **books**; **phone apps** - theory and quizzes.

#### Bachelor's Degree - Computer Science (2003 - 2007)

##### *"Aurel Vlaicu" University, Arad*

I studied computer science and understood it as a whole.

I liked working with HTML and CSS, my license project was a website.

#### High School Degree - Computer Science (1999 - 2003)

##### *"Vasile Goldiş" National College, Arad*

Learned the basics of programming, different algorithms and data structures in pseudocode and wrote programs in Pascal.
